

How to Adjust Your Settings

Account Preferences:

Add an account nickname, choose the display order of accounts and hide an account.

To change the order of the groups, click the up/down arrow to the right of the group title.

The screenshot shows the 'Account Preferences' page. At the top, there is a search bar with the placeholder text 'Search by account label, name, nickname, number, or product type'. Below the search bar is a section titled 'Accounts' with a pencil icon and up/down arrows. The first account group is 'NO SERVICE CHARGE CHECKING-PERSONAL XXXXXX3436', which has a blue box with up/down arrows to its right. Below this group is a 'Details' section with the following fields: 'Online Display Name' with a blue button labeled 'Nickname Account'; 'Current Account Group' with a dropdown menu showing 'Accounts'; and 'Visibility' with a blue button labeled 'Visible'. Below the details section are two more account groups: 'PERSONAL SAVINGS XXXXXX4548' and '365 DAY UNDER 100M XXXXXX1024', each with up/down arrows to its right.

Security Preferences:

Change password, Change Login ID, Change/Update Secure Access Code delivery method: cell number, email address.

The screenshot shows the 'Security Preferences' page. It contains three buttons with right-pointing arrows: 'Change Password', 'Change Login ID', and 'Secure Delivery'.
